Logo System

The GOKULRAM ELECTRICALS logo uses a toggle switch / MCB breaker icon — a universal symbol of electrical control. The lockup pairs a heavy wordmark with a minimal icon square for maximum legibility at any scale.

PRIMARY — LIGHT BACKGROUND

INVERTED — DARK BACKGROUND

ICON ONLY — APP / FAVICON

GRE

MONOGRAM — SECONDARY MARK

Clear Space Rule: Always maintain a minimum clear space equal to the height of the "G" character around all sides of the logo. Never stretch, rotate, recolor, or apply effects to the logo.

Color System

A restrained industrial palette — deep blacks and warm silvers anchor the brand in authority and craft. Copper Amber is the sole accent and should appear sparingly: one element per composition maximum.

Brand Voice

"Trusted by contractors.
Built for industry."

GOKULRAM ELECTRICALS speaks with authority and brevity. No fluff, no retail language. Every word earns its place.

✓ DO

- Use short, confident statements
- Lead with quality and trust signals
- Name specific brands and specs
- Speak to contractors, not consumers

✗ DON'T

- Use exclamation marks or emojis
- Use retail/consumer language
- Use the logo on busy backgrounds
- Modify logo colors or proportions
